VISION GOGGLE

KEY FEATURES

- Specifically designed OTG frame compatible with most prescription glasses
- A-FLEX ultra pliable, urethane frame with extra internal volume
- RAM-AIR vent ducts
- 3D formed, 3-layer 17mm face foam
- No-slip, 45mm silicone-backed strap
- Polycarbonate, Anti-Fog, hard-coated lens.
- The Alpinestars Vision OTG goggle is designed with our exclusive Over-The-Glass technology, providing a comfortable and secure fit for riders who wear prescription glasses.
- Perfect for those who need maximum visibility without sacrificing comfort, this goggle allows you to enjoy a clear, wide field of view.
- The “A-FLEX” urethane frame is specially engineered to add volume inside the goggle, offering ample space for glasses, while extended RAM-AIR vents enhance airflow, reducing fogging and ensuring fresh air circulation.
- Equipped with an anti-fog, hard-coated, clear polycarbonate lens, the Vision OTG goggle ensures crisp vision in a variety of conditions, whether you’re tackling dusty, muddy trails or shifting light environments.
- The lens keeps you focused and ready to react, while the Alpinestars 3D-molded 17mm, 3-layer face foam provides an exceptionally comfortable fit.
- With superior comfort and top-tier performance, the Vision OTG goggle is one of the most comfortable and functional goggles you’ll experience on the trails.

VISION GOGGLE

KEY FEATURES

- 3D formed, 3-layer 17mm face foam
- Closed Cell dust filtering vent foam
- RAM-AIR vent ducts.
- Dark smoke, polycarbonate, anti-fog, hard-coated Lens
- A-FLEX ultra pliable, urethane frame.
- No-slip, 45mm silicone-backed strap
- Engineered for the harshest environments, the Vision SAND Goggle offers unrivaled clarity and protection against the relentless challenges of dust and sand.
- The dark smoke lens effectively cuts the intense brightness of sunlit sand dunes and desert landscapes, providing exceptional visibility even in high-contrast conditions.
- Designed to reduce glare and shield from intense sunlight, it also helps minimize eye fatigue, ensuring sharp, focused vision throughout long hours of riding.
- The closed-cell vent foam acts as a barrier, filtering out sand and dust while still allowing for essential airflow.
- Whether you're navigating blistering, sun-scorched terrain or charging through dusty conditions, the Vision SAND Goggle keeps your eyes shielded and your vision crystal-clear.
